**Eze Castle Integration Expands West Coast Service Team with New Director**

*Previously with Banc of America Securities Prime Brokerage Services, Rinando Soto Brings Deep Technology and Hedge Fund Expertise to Eze Castle's Premier IT Services Group*

**BOSTON – May 30, 2007** – Eze Castle Integration, Inc., a leading provider of technology and IT services to hedge fund and investment firms, today announced the addition of Rinando Soto as director of service for west coast operations. Soto is responsible for overseeing Eze Castle's west coast client service delivery, supporting the company's continued growth in the region, and ensuring clients continue to receive the highest quality service and support.

Soto joins Eze Castle after nine years at Banc of America Securities (BAS), where he was a vice president in the Prime Brokerage Services Group. At BAS, Soto managed teams responsible for the deployment and maintenance of IT infrastructures for all BAS west coast hedge fund clients. Before BAS, Soto was a senior systems support analyst at NationsBanc Montgomery Securities in San Francisco.

"Eze Castle Integration is committed to providing our more than 450 hedge fund and investment firm clients top-quality IT support and services," said Chris Grandi, president of Eze Castle Integration. "Rinando's deep knowledge of hedge fund operations and technology will allow him to effectively guide clients through short-term tactical projects as well as long-term strategic technology initiatives. The addition of another seasoned hedge fund IT professional to the Eze Castle team further exemplifies our focus on exceeding clients' expectations."
