

Eze Castle Integration (ECI) is the leading full service IT consulting and implementation firm providing complete technology solutions to elite financial services companies, such as hedge funds, private equity firms and other specialty investment management firms. Already, more than 500 hedge fund companies - managing more than \$300 billion in assets - rely on Eze Castle Integration to be their "virtual CTO" and single source of IT and telecommunications infrastructure. To learn more about ECI, visit us at www.eci.com.

Title: Sales Engineer

Sales Engineers are responsible for supporting our sales team in selling technology solutions to prospective and existing clients. This will involve in-person and remote meetings, designing technology infrastructure, creating proposals and diagrams and handing off to our project management team. This person will be the third in a group that is responsible for supporting our New York, Boston, Connecticut, Chicago, San Francisco, Los Angeles and London offices.

Position Requirements:

- Bachelor's Degree
- Excellent polish, oral and written communication skills
- 5+ years in a Sales Engineering or Systems Engineering role

Position Requirements:

- Thorough understanding of most of the following technologies:
 - Networking, routers, firewalls, switching, circuits, wireless, DNS, VPN and WAN acceleration
 - Server hardware and storage
 - Microsoft Windows Server, MS Exchange Server, MS SQL Server, BlackBerry Enterprise Server, Citrix/XenApp, VMware, RSA Secure ID
 - Data center power and cooling
 - IP telephony
- Strong organizational skills
- Basic understanding of Finance

Preferred:

- Experience with Storage Area Networks
- Technical certifications from Microsoft, Cisco, NetApp, etc.

Work Conditions:

- Ability to work in an independent environment with moderate supervision.
- Ability to work under a moderate noise level (i.e., working on an open floor with printers, telephones, and computers).
- Overtime may be required to meet project deadlines (including late nights and weekends).
- Ability to travel for business and work beyond normal business hours when necessary.
- Ability to be flexible and successfully respond to multiple work pressures.
- Willing to work extra hours as needed.

Physical Requirements:

- Overtime may be required to meet project deadlines (including late nights and weekends).
- Sitting for extended periods of time.
- Dexterity of hands and fingers to operate a computer keyboard, mouse, power tools, and to handle other computer components.
- Lifting and transporting of moderately heavy objects, such as computers and peripherals.

- Willing to work extra hours as needed.

We offer competitive salaries and our generous benefits package includes health and dental insurance at great employee rates (Harvard Pilgrim in alliance with United Healthcare PPO), life insurance, short/long term disability, paid time off and holidays, a 401K plan and performance incentives. Come work for the leader in cutting-edge technology and see for yourself how we value our clients and employees alike.

Eze Castle Integration is an Equal Opportunity Employer.
