Title: Software Engineer

We are looking for a Software engineer with experience working with the Microsoft suite of products and services. Candidates must be hands-on, team-oriented and willing to exceed expectations.

Responsibilities Include:

- Active role in the design, build and testing of the core products and solutions provided
- Support existing technology platform: software code, reporting and enhancements

Required Qualifications:

- 3+ years of progressive programming experience with knowledge of Financial Services
- Experience working with Microsoft programming languages ASP.NET, C#, LINQ, and VBA
- Experience with MS SQL Server database design, stored procedures
- Experience with MS SharePoint Server MOSS 2007, Windows Server 2008 and Virtual Server
- Familiarity with source code control systems and software versioning tools
- BS/MS Computer Science or equivalent

Desired Skills:

- Financial Services, Investment Management industry experience
- Experience with MS SharePoint Server MOSS 2007, Windows Server 2008
- Knowledge of Microsoft Office Excel formulas and integration options
- Willingness to travel

Work Conditions:

- Ability to work in an independent environment with moderate supervision.
- Ability to work under a moderate noise level (i.e., working on an open floor with printers, telephones, and computers).
- Overtime may be required to meet project deadlines (including late nights and weekends).
- Ability to travel for business and work beyond normal business hours when necessary.
- Ability to be flexible and successfully respond to multiple work pressures.

Physical Requirements:

- Overtime may be required to meet project deadlines (including late nights and weekends).
- Sitting for extended periods of time.
- Dexterity of hands and fingers to operate a computer keyboard, mouse, power tools, and to handle other computer components.
- Willing to work extra hours as needed.

We offer competitive salaries and our generous benefits package includes health and dental insurance at great employee rates (Harvard Pilgrim in alliance with United Healthcare PPO), life insurance, short/long term disability, paid time off and holidays, a 401K plan and performance incentives. Come work for the leader in cutting-edge technology and see for yourself how we value our clients and employees alike.

Eze Castle Integration is an Equal Opportunity Employer.
